## Virtual Event

*In light of this year's Global Entrepreneurship Week theme: "Bring Your Business Idea to Life", we bring together eco-entrepreneurs supported by the Pakistan Private Sector Energy Project who have successfully transformed a vision into an impactful reality helping create employment and livelihoods while sustainably solving some of Pakistan's key energy, transportation and waste problems. We have partnered with The Indus Entrepreneurs for this webinar as they are one of the leaders in inspiring and supporting budding entrepreneurs in South Asia and have helped launch thousands of startups and SMEs from dream to reality.*
